

## Liberty POST Learning Center

In a very different school year, families are faced with having to support remote instruction for their school aged children. This presents families with many challenges including how to best teach children the material that is required at home. Liberty POST employs NYSED certified teachers who are able to help support children and their learning needs.

HOW CAN THE  
LEARNING CENTER  
SUPPORT YOUR  
CHILD?

Our teachers will work with your elementary school child in a 1:1 setting at our office in East Syracuse. We will also provide small group instruction (up to 4 students in the same grade level) upon request. Our office is sanitized before and after each session and is conducted in a child friendly classroom space. Using your child's specific curriculum and assignments, our staff will work with your child to move them through the lessons that are required of them.

HOW MUCH DOES  
A SESSION COST?

Each session is 60 minutes and pricing is based on the number of sessions purchased and can be used however frequently you choose. Payments are required prior to the learning session and should be made out to Liberty POST Syracuse.

HOW DO I GET  
STARTED?

Give us a call for more information or to schedule time for your child to work with our teachers at the Learning Center.
